Vanilla Plant Based Collagen Boost

Copina Co is a beauty company that makes vegan, gluten-free, non-GMO collagen blends that promote your overall well-being by helping the body make more collagen on its own. You start to dramatically lose collagen as of age 30 and now there is a way to get beauty boosting results while also improving gut health with plant botanicals and adaptogens from Copina Co. - no animal-based collagen peptides required! Copina Co.'s newest Vanilla flavor is a delicious, lightly sweetened vegan collagen boosting drink mix for \$29.90. Easily add just one scoop of Copina Co.'s Vanilla to coffee, smoothies, and more. The result is shiny hair, supple skin, stronger nails and much more from the brand's herbalist-approved organic botanicals including bamboo extract and Amla for hair, skin, nail, and joint support, as well as tremella mushroom extract for skin elasticity and Hyaluronic Acid for wrinkle-fighting and to moisturize skin.

Lavender Hydrating Facial Mist

Cococare's new Lavender Hydrating Facial Mist, \$7.99, is lightweight, hydrating, paraben-free, and alcohol-free. It also has witch hazel, aloe vera and hyaluronic acid (HA), which work together to bring super hydrating and anti-aging benefits to your skin. Aloe vera is 99.5% water, so as it quenches your skin, HA holds the moisture at your skin's surface, leaving your skin visibly moisturized and feeling super soft and supple throughout the day. Long-term use can even help prevent fine lines and wrinkles! The calming properties of lavender make this facial mist ideal to use before bed or when feeling stressed - and what mom doesn't need a stress reliever! Plus, the heavenly smell will help ease mom's mind aromatherapy-style to leave the day behind and drift off to a peaceful dreamland. Use before applying makeup or after makeup is applied to add radiance as well as to refresh skin throughout the day. Plus, it's ideal for all skin types!

Cucumber Hydrating Facial Mist

Cococare's new Cucumber Hydrating Facial Mist, \$7.99, includes natural cucumber extract, green tea, and aloe vera to refresh and hydrate skin with every spray. The refreshing sensation of cucumber cools and soothes skin upon contact while green tea's antioxidant qualities help restore skin to give it a gorgeous glow, making this mist great to use before or after applying makeup to add radiance - or even INSTEAD of makeup! It also includes witch hazel and aloe for deep moisturizing qualities. Cucumber Hydrating Facial Mist is Paraben Free and ideal for all skin types. Plus, it has aloe vera and hyaluronic acid (HA), which work together to bring super hydrating and anti-aging benefits to your skin. Aloe vera is 99.5% water, so as it quenches your skin, HA holds the moisture at your skin's surface, leaving your skin visibly moisturized and feeling super soft and supple throughout the day. Long-term use can even help prevent fine lines and wrinkles!

Tea Tree Oil Hydrating Facial Toner

Cococare's new Tea Tree Oil Hydrating Facial Toner, \$7.99, is made with natural tea tree oil and aloe vera, the perfect combination for refreshing, cleansing, and quenching dry skin. Tea tree oil is known for its anti-inflammatory, antiseptic, antimicrobial and antibacterial properties that purify and revitalize your skin, so this toner is ideal for fighting acne (and our newest nemesis, maskne) and evening out mom's skin tone. Witch hazel and aloe also provide deep moisturizing qualities to refresh skin morning, noon, and night with this paraben and alcohol free product that is ideal for all skin types.

IMILAB C20 Indoor Camera

The new IMILAB C20 indoor camera combines 360-degree panoramic viewing, advanced night vision, sound alarms, and human detection--surpassing competitors and giving customers top of the line home security 24 hours a day. Let's be real, Mom's may seem to have "eyes in the back of their heads" but it doesn't hurt to have that extra "Eye in the Sky." So that extra 5-10 minute hot shower, those 10 minutes that Mom wants to sneak away to indulge in their favorite chocolate or wines and even those eery silent moments which can be a scary type of silence allows Mom to know what's going on at all times in their homes without panicking. Not only is this a cool gift for both indoor and outdoor use but with IMLAB, you can rely on our high performance lenses, wide angle views, and two-way communication to effortlessly virtually check in and interact with your most valuable spaces and precious cargo.

Tombo Towels

Give mom what she really wants this Mother's Day: A way to get the spa experience at home. Tombo Towels — founded by Japanese friends (and moms!) Tae & Michele — helps turn your home into a Japanese "onsen" where bathing is a distinct ritual for cleansing and relaxation. Tombo Towels are woven on shuttle looms in the Senshu region of Osaka, Japan and are made from the highest quality, all-organic cotton blends. They have two outer layers of baby-soft gauze with an inner layer of highly absorbent pile, making them ultra absorbent, quick to dry, lightweight, voluminous and luxuriously soft.

QR Cream

For the mom who does it all and has the aches and pains to prove it, QR Cream relieves pain naturally with Mannitol, a simple sugar alcohol. Featuring 30% mannitol + 1.25% menthol, this natural, non-greasy, narcotic-free cream relieves aching, tingling or burning pain of the neck, back, shoulder, wrist, finger, knee, thigh and foot—anywhere the pain nerves are close to the surface of the skin. It is recommended to relieve pain from arthritis, neuropathy, migraines, shingles, and pain and itch associated with poison ivy, psoriasis and insect bites and stings—so it will keep giving to the whole family! QR Cream was developed by two moms who just happen to be specialists in pain management—Hélène Bertrand, MD, CM, a family physician and scientific researcher, and Marylene Kyriazis, B. Pharm, Pharm D, a clinical pharmacist with a focus on pain management and palliative care.

Artisan Citrus Juicer

Mom is going to want to clear off the countertop for this beauty. This small hand juicer is popular in markets all over Mexico. It extracts every drop of juice, while the strainer catches seeds and pulp. The simple, sturdy beauty will be the source of delicious juices for drinking, cooking, and cocktails for decades. The small juicer is perfect for lemons, limes, and small oranges.

Our juicer's "jaws" are easy on the hands, and hard on your fruit. Artisans make each and every juicer by hand. The juicers are individually cast in sand, grinded by hand, and then hand-polished. Then, handed to you with care.

The Beeswax Co.

Because Beeswax is Beautiful! The Beeswax Co. uses the finest 100% pure domestic beeswax and 100% cotton wicks for the cleanest burning candles on the market. They burn longer than other kinds of candles and do not drip. Beeswax candles emit a bright, healthful light with the same light spectrum as the sun. They also emit negative ions that actually clean the air and invigorate the body. Beeswax candles are naturally scented by nectar of flowers and honey packed into the honeycomb from which they are made. They come from a 100% natural and renewable resource: beeswax. Beeswax is directly sourced mainly from beekeepers in Texas, our clarification process siphons off impurities (even down to the size of a grain of pollen), resulting in the purest beeswax available. You'll recognize similar scents to our candles with hints of Texas wildflowers, prairie grasses, citrus, herbs, wild berry, and of course, honey. Each artisan beeswax candle from The Beeswax Co. is poured and burnished by hand!

Take Me Away! Travel

SmartMike+

With travel reopening and having missed what seemed like a decade of our life missed due to the ongoing pandemic last summer, many remote working Mom's and content creator communities are looking for a way to pack everything into spring and summer this year. The SmartMike+ is a great gift for Mom's who seemingly still need to hop on the occasional Zoom even during family time and for all types including regular everyday Mom's who share a multitude of vacation and family moments on platforms like TikTok and IG. SmartMike+ is an ultra-compact wireless microphone with real-time transmission and synchronization of full band stereo for vlogging, recording, remixing, voice-over, and dubbing. Think about all the cool TikTok Mom videos that you see as well as IG Reels. These moments are priceless and quality sound and imaging is essential. It records in CD quality and transmits wirelessly in real-time to a mobile phone so no hefty equipment to carry around. It's the size of a lipstick tube. It works with both smartphones and DSLR.

Hôtel Barrière

Newly opened in October 2020, Hôtel Barrière Le Carl Gustaf St. Barth is located on the foothill of Gustavia and exudes luxury, elegance and French-style charm throughout its 21 elegant rooms, suites and bungalows that all face the ocean, perfect for Mother's or Father's Day. Within the century-old walls and terraces of the hotel, French designers Gilles & Boissier have created a charming ambience where filtered sunlight creates ever-changing reflections of light and shade. Simple fabrics and natural materials such as wood and stone add to the appeal, as does the hotel's setting on a low hill which stands above the stunning landscapes of sea and sky like a tropical "altana" roof terrace. It is the only hotel on the island boasting panoramic views of the port of Gustavia, the island's capital. While on property, guests can experience delectable cuisine at renowned Fouquet's restaurant, spend the day at Spa Diane Barrière which offers multi-sensory stimulation, bespoke holistic treatments and tailored massages in a luxurious, Zen-inspired setting, and take a yoga class to the rhythm of the West Indies. Le Carl Gustaf also offers aquabiking where the bikes are installed in private pools, a fitness center with state-of-the-art equipment and pilates studio, and electric bikes to explore the beautiful island, all perfect for a wellness getaway. On-Demand Wellness Classes

The Retreat Center offers On-Demand wellness classes perfect for moms focused on a healthy, balanced lifestyle. One highlight is "The Ayurvedic Daily Routine", which explores living an Ayurvedic lifestyle, a time-tested 5000-year-old natural system of medicine based on strengthening the body, mind, and spirit with holistic practices and therapies. The program explores establishing an Ayurvedic daily routine, called Dinacharya, which is designed to connect individuals to their internal body clocks, and guide them on best times to sleep, eat, exercise, work, relax and more. The program will explore this daily routine and how to incorporate its components into your life with accessible practices including meditation, yoga, self-care, herbal treatments, detoxifying spices and herbs, and other spiritual practices that unite body, mind and soul, along with a host of other benefits including better sleep, quieter mind, reduced stress, healthy skin, improved digestion and more. Those that want to add on to this can purchase the Ayurveda 3-Course E-Learning Package, which also includes programs to Manage Depression, Anxiety and Insomnia and Manage Inflammation, as well as a complimentary 45-minute live Q+A session with an Ayurvedic expert. The Ayurvedic Daily Routine is priced at \$49, and the three-pack is priced at \$179, which includes on-demand videos of lectures, presentations, guided meditation, yoga practices and more, as well as other resources and educational and inspirational articles.

A more comprehensive option is the Yoga Vasistha program, an 8-module, 48-video series that teaches participants this time-tested science of consciousness that uses impeccable logic to help us understand the nature of our best Self, consciousness, and "reality" itself. This course is taught in a structured way, progressing through a specific sequence of logic, leading the participant to not only understand, but eventually integrate and fully realize the essence of the wisdom. This course is self-paced and over the course of 48 days, participants will receive access to one video every day, with access to the whole program for 90 days. The program is priced at \$199, which includes the 48 videos, 8 modules, 6 meditations and bonus content Q&A.
